Separate sealed bids for the Phase 2 - Emergency Spillway Modifications will be received by the Village of Walnut Creek at the Municipal Building (Village Offices), 103 Village Drive, Goldsboro NC 27534 until 2:00 PM, Eastern Standard Time, on Thursday, May 3rd 2018. Formal bid opening shall be conducted at 2:00 PM. Work may begin as early as May 17th, 2018 and must be completed within 80 days from the Notice To Proceed date.

The work involves construction of baffle blocks, a weir wall, guide walls, culvert inlet improvements and addition of rock riprap in the outlet channel to the Lake Wackena Dam emergency spillway. For an electronic copy of the drawings, please email or call Russell Bendel, PE, Terracon, 336-944-2484; Email – russ.bendel@terracon.com.

BIDDERS shall be properly licensed under Chapter 87, General Statutes of the State of North Carolina and will furnish current Certificates of Liability with their sealed bids. Bidders must display experience with dam construction projects and significant experience in concrete construction.

Prospective BIDDERS who have been found guilty of discrimination within the past two years are debarred from bidding.

The Village of Walnut Creek adopted a resolution at its February 23, 2005 Council Meeting to establish a 10% goal of project participation by Disadvantaged Business Enterprises (DBE).

The Owner reserves the right to reject any and all bids.
