Holiday Trash & Recycling Schedule

Trash Pick Up will be 12-26-18, Wednesday & Recycling will be 12-27-18, Thursday.
New Years Schedule will remain on the regular days.

Lowering of the Lakes

We will be lowering Lake Wackena & Spring Lake after Christmas, 2018. The lake will be lowered up to February 15, 2018. Please note that this is your opportunity to make any repairs you need to so we encourage you to arrange for the work to be done in a timely manner. Thank you!

WALNUT CREEK POLICE DEPARTMENT

From The Chief's Office: Many thanks to all observing the 30 MPH speed limits in the Village. Please remember all our signs are STOP signs not YIELD signs. With the changing time more folks are out after dark walking, running and bicycling. Remember to wear light clothing with some type of reflection. Criminals are opportunist. During the holidays is no exception! Unlocked vehicle doors provide criminals with instant opportunity. Criminals will steal cell phones, tablets, laptops, firearms, purses, tote bags, loose change and other items of value out of citizen's vehicles. Never leave large sums of money, jewelry or expensive electronics in your vehicle. In addition, please be sure to lock your homes! When you are going to be out of town for extended periods of time, let our police department know so we can keep an extra eye on your home. Please also secure vehicles in a garage and set an alarm if you have one. Officers encourage residents to remain alert in their neighborhood, look out for one another, if you see something that doesn't look right, report it and all suspicious activity to the Village of Walnut Creek Police Department by dialing (919) 778-9991. If no answer call 911.

Chief Robert Parchman

May all have a safe

&

Happy Holiday Season!

December 24th & 25th—Village Office & Maintenance Closed for Christmas Holiday
