WALNUT CREEK POLICE DEPARTMENT

-Thank you to everyone for slowing down and abiding by our Village-wide speed limit of 30MPH. Our goal is not to write a bunch of tickets, but to make the roads in the Village safe for all to walk, jog and ride bikes. We will continue to monitor the speed of all vehicles driving in the Village. Pedestrians please make sure you are doing your part as well. If you are walking or jogging please do so facing traffic. If you are riding a bike then you should be riding "with" traffic. Also please make sure you are giving cars plenty of room by stepping off to the side of the road when possible and do not walk or bike two abreast in the road. Thanks for your cooperation so everyone can stay safe!
