WALNUT CREEK POLICE DEPARTMENT

With the warmer weather there are more people out on the roads, walking, biking and jogging. Please be sure you are following the rules of the road (walk toward traffic, ride bikes with traffic). If we are all paying attention and following the rules, our roads will be much safer. Also, please make sure you are wearing light colored clothes and reflective items, especially if you are out at dusk or dawn. **SHARE THE ROAD** The police department will be increasing patrols during the warmer weather, concentrating on speed and stop sign enforcement. Citations will be issued for these violations. We are striving for a safer Village for all, vehicles, pedestrians and bikers.
