### DON'T MISS OUT ON VILLAGE NEWS

With the new Public Alert System we want you to be in the loop. This system works with our Water & Sewer billing database to provide information to our Alert Systems & the data is protected for security. In order to provide the best communication possible we need to make sure your information on file is up to date. Simply go to [www.public-alert.com](http://www.public-alert.com) click on sign in & click on email form for residential info . This info was on the back of your water bill this quarter & only 25% of residents have responded.

Fall Back...It's time to turn your clocks back Saturday Nov 4th, before you go to bed. This would also be a good time to change the batteries in your smoke and carbon monoxide detectors. With the time change be sure to be on the lookout for anyone walking and riding bikes at dusk.

### WALNUT CREEK POLICE DEPARTMENT

**From The Chief 's Office:** With the holidays approaching please remember not to leave packages visible in you vehicles and lock your vehicles at all times. If you have an alarm system in your home be sure and set it when you leave your home and make sure your doors and windows are locked. The Holidays are a prime time for breaking and entering into vehicles and homes. Going out of town for the holidays? Make sure you let the Walnut Creek Police Department (919-778-9991). Fill out the "Out of Town Report" located on our website [www.walnutcreeknc.com](http://www.walnutcreeknc.com) . The police will keep an extra eye on your home. In addition to the above tips have your mail held at the post office or have a neighbor pick it up. We want everyone to enjoy the holiday season!
