**A word from the Maintenance**

**Department..... PLEASE DO NOT Flush items  
down the toilet that don't belong in a toilet.**

**Too much debris is showing up in the sewer  
pumps causing problems resulting in addi-**

**tional repairs. Also do not put greasy items down  
your sinks. This also causes problems for your pipes  
and the sewer system. THANKS!**

Just a reminder . . . Tuesday Trash–Thursday Recycle

Trash and recycling pickup begins at 7:30 AM. We  
recommend setting your containers out early or the  
night before to avoid getting missed! Also, please  
remember to bag your trash before placing your  
container. Loose trash in the bottom of the container  
will not be picked up.

**WALNUT CREEK POLICE DEPARTMENT**

As you know the Police Department has been working on speed limit  
enforcement in the Village over the past several months. While most  
residents understand the need to enforce the speed limit, others have  
questioned the validity of such action. We have a lot of residents that  
walk, jog and ride bikes in the area and would like to make sure we are  
not faced with such a tragedy.

August is “back to school” month. It will not be long before there will be extra bus  
traffic in the Village. Please be mindful of kids loading and unloading from  
stopped school buses.
